International House Davis Membership Changes

Your membership is a critical investment in our work. As a member, you support our efforts to create vibrant, inclusive programs that build community and friendship across borders.

In an effort to provide more for our members, we are making some changes to membership at I-House. Members will continue to enjoy discounts on our many class offerings and access to a full schedule of exciting events to keep you globally connected and informed. We are adding additional benefits for members who are able to donate at different levels.

New membership benefits and pricing begin April 1, 2019

If you are a member right now, your current membership is good until it expires (1 year after you last renewed). When your membership expires, you will be able to renew your membership at one of the new membership levels and be eligible for the new member benefits.
